Age Recommendations

Age recommendations for each play are based on several criteria. These criteria include whether or not it contains abstract themes, frightening action or aggressive characterization, or a good deal of dialogue more easily followed by older children. Our age recommendations are simply that; parents make the final decision as to when their child is old enough to enjoy an SCT production. For our audiences' convenience both theatres have quiet rooms with a full view of the stage.

Ticket Exchange Guidelines

SCT offers a free ticket exchange program for its subscribers. **All exchanges are subject to seat availability.** Tickets may be exchanged according to the following guidelines:

- Because SCT has open seating (no assigned seats), we require that all original tickets be returned to SCT when making an exchange.
- Tickets to be exchanged must be received by the SCT ticket office at least 24 hours before the performance date printed on the ticket unless an exception is made through the box office. *Should an unexpected event occur making the 24 hour deadline impossible, please call the ticket office and we will exchange the tickets and arrange for the return of the old tickets to us in person or by fax or scan.*

- Tickets can be exchange for any future performance or production. **You must make all exchanges prior to the closing of the ticketed performance.** For example, tickets for *The Velveteen Rabbit* must be moved to an alternate performance of the same show or to a performance of a different show prior to the close of the production on December 30, 2018.
- A ticket upgrade will be applicable if a ticket is exchanged to a more expensive performance, for example from a Thursday/Friday performance to a Weekend.
- To exchange tickets by phone, call the SCT ticket office at 206-441-3322 to make the exchange. We will ask that the original tickets be mailed to the SCT Ticket Office at 201 Thomas Street, Seattle, WA 98109. This address can also be found on the back of the ticket. A photograph of exchanged tickets with “VOID” written across the front of each ticket will also be accepted by e-mail if the patron so chooses. Tickets exchanged more than 5 days prior to the performance date will be mailed unless otherwise instructed. Tickets exchanged within 5 days or less from the performance date will be held at will call for pickup. Tickets may be exchanged in person, by bringing the original tickets to the SCT ticket office during ticket office hours.
- **PLEASE NOTE:** Tickets cannot be exchanged once the production has closed and all exchanges must happen prior to the performance listed on the ticket.

Ticket Donations

If a subscriber cannot attend a performance and does not wish to exchange their tickets, the tickets may be donated for a tax credit. Simply return the tickets in person or by mail to the SCT ticket office at least 24 hours before the performance printed on the ticket.

Missed Performances

Due to royalty and financial guidelines, tickets held for a specific production cannot be exchanged once that production has closed. Here are the options available for using those tickets for a future production.

- **Standby Tickets** – Standby tickets can be purchased at one half hour before the performance time at the ticket office only and may not be reserved in advance. If tickets are available, replacement tickets may be purchased at \$5 per ticket upon presentation of the original unused tickets. We recommend that subscribers phone the ticket office in advance to check on availability. We will give the most

accurate information we can, but cannot guarantee that tickets will be available at show time.

- **Half-Price Tickets** – If you prefer to secure seating in advance, replacement tickets may be purchased for half the single ticket price upon presentation of the original unused tickets. Replacement tickets are subject to availability but may be booked in advance.
