Position Title: Drama School Intern

Description:

- 15 full-time Drama School interns will learn about teaching while working alongside SCT faculty on a variety of our summer camps and classes for students ages 3½ to 21, under the supervision of SCT staff. Our faculty members are experienced teachers and working theatre professionals. Depending on the class situation, the intern's role may vary between observing, assisting, co-teaching, helping with classroom management, and curriculum development. Our goal is to create a schedule for each intern that gives them the opportunity to learn by working with a variety of age groups and class subjects.
- **Training and Support:** Throughout the summer, interns will meet weekly to share experiences and receive ongoing coaching and support from the Education faculty and staff; interns will also attend professional development sessions to further their theatre and teaching skills.

Time commitment: Orientation week is June 10 - 14, 2019. Internships extend through August 16, 23 or 30. Priority may be given to those who are available through August 30. Assignments are more than full time (40+ hrs/week). Drama School programs take place during Monday-Friday, 9:00am-5:00pm, but expect to be at the theatre before and after on most days for meetings, professional development workshops, and some weeknight and weekend evenings assisting front-of-house staff at our student productions.

Qualifications: The ideal candidate for this position will have a preferred minimum of two years of college or have demonstrated equivalent experience. Experience working with youth is required. Theatre Education background, administrative and customer service experience are highly valued.

Stipend: \$200/week, plus compensation for a bus or parking pass. Housing is not provided; we try to provide out-of-town interns with suitable housing leads.
